EVENT SPONSORSHIP GUIDE

WellspringLiving.org

SERVING SURVIVORS OF SEXUAL EXPLOITATION AND THOSE AT-RISK

Founded in 2001, Wellspring Living is a non-profit organization in Atlanta, Georgia that provides domestic sex trafficking victims and those at risk with specialized recovery services through three residential programs and two community-based Programs.

The programs provide transformative care through therapeutic services, education, life skills, and personal and professional development. The focus for each participant is on developing their courage to move forward and their confidence to succeed.

YOUR INVESTMENT TRANSFORMS LIVES

Dear Valued Partner,

We know businesses care about what happens in their communities. Because of that compassion, Wellspring Living can continue to serve girls, boys, and women, boldly and consistently with excellence. By sponsoring an annual Wellspring Living event, your company will be a leader in providing restoration and support services for survivors - ensuring transformation and restoration in the lives of those we serve.

\$2,500:

Weekly age-appropriate enrichment and life skills classes, and monthly field trip coordination costs for 3 participants.

\$5,000:

Provides 5 participants with career readiness services, life skills and personal development classes.

\$7,500:

Covers 400 individual counseling sessions for participants.

\$10,000:

Provides 20 computers for 20 Women's Academy participants.

\$15,000:

Covers the cost of curriculum, tutoring, and school supplies for 3 participants.

\$20,000:

Provides 40 women with ongoing evidence-based therapy services which include individual weekly sessions, and weekly group sessions.

\$30,000:

Provides 12 apprenticeship track participants with case management, weekly check-ins, apprenticeship placement and support from mentors and employers.

We are grateful for the vital role you play in providing restorative services to those at risk or victimized by sexual exploitation.

Gratefully,

Sarah Richardson - *Development Director*
